

## Cycling on the Seafront in Bournemouth

# Cycling on the Seafront

During 2000 Bournemouth Borough Council undertook a seafront cycling trial. An extensive programme of monitoring cycling on the Seafront was undertaken. In excess of twenty nine thousand individual survey items were collated.

Please help us to ensure that Bournemouth Seafront is a safe and enjoyable place for ALL visitors.

**Time Restrictions**  
From 16th June to 15th September, cycling is not permitted on the Seafront between 10:00am and 7:00pm.

**Cycle Safely**  
When cycling is permitted, the following restrictions apply:

**Cyclists and pedestrians**  
  
The promenade is to be used and enjoyed by pedestrians and cyclists together. **CYCLISTS MUST ALWAYS GIVE WAY TO PEDESTRIANS - THEY HAVE RIGHT OF WAY.**

**Cycle Slowly**  
  
When cycling on the promenade keep your speed down. Please don't cycle at more than 10mph.

**Dismount**  
  
Please dismount and push your bike where you see this sign.

**No Cycling**  
  
Where you see this sign cycling is prohibited. This will be on areas such as zig-zag pathways, access paths and Bournemouth Pier Approach. Be a responsible cyclist, please dismount and **PUSH YOUR BIKE.**

 Further information is available from all members of Seafront staff - pop into your nearest Seafront Information Office.

# Cycling Your views

1. Are you a:  
**Pedestrian**  **Cyclist**
2. Do you think that restricting cycling between 16th June and 15th September is:  
**OK**  **Not enough**
3. Do you think that banning cycling from 10am in the summer is:  
**Too early**  **Too late**  **OK**
4. Do you think that allowing cycling from 7pm in the summer is:  
**Too early**  **Too late**  **OK**
5. Do you have any suggestions for improving the scheme?

Once completed, please hand into any Seafront Office.
